people bumping in to one another/falling over		<ul style="list-style-type: none"> Leaders and volunteers ensure that coats, pushchairs, bikes, scooters etc are stored appropriately in the foyer or courtyard and do not block the doors into the building or into the main hall. Volunteers setting up tables and chairs use trolleys provided to aid movement of multiple tables and chairs. Volunteers only move equipment they are physically capable of moving. No chairs are put out at the front of the hall. Use will be made of the storeroom and outside courtyard where possible to spread out attendees. Leaders and volunteers remain vigilant to any overcrowding issues and to take avoiding action. 				
Use of Electrical Equipment (audio visual):	All but especially children	<ul style="list-style-type: none"> Audio visual equipment is kept on the stage away from the children. Any other equipment (eg irons for Hama beads etc) is closely supervised by leaders/volunteers. 		Messy Church Leadership Group and volunteers

<ul style="list-style-type: none"> Hot drinks or food are spilled resulting in injury Someone has an allergic reaction to their food Someone contracts food poisoning because of poor hygiene or inappropriate food preparation 		<ul style="list-style-type: none"> Only leaders and volunteers are allowed in the kitchen. Volunteers ensure hot drinks, teapots and hot food are kept well away from edges of tables where visitors are. Hot water is only moved into the hall in closed thermos flasks and hot food only taken into the hall when the congregation is seated at the tables during the talk and prayers. All food servers wash their hands before service and to wear gloves to serve the food. The volunteers provide drinks and biscuits for attendees at a table to consume prior to the start of the session. All tables are wiped clean with antiseptic wash between craft and catering activities. Lunch is served one table at a time to avoid any queuing for food or excessive mixing. All cutlery and crockery is cleaned using the high temperature commercial dishwasher. Parents/guardians are responsible for what they

		and their children eat and drink and that appropriate people are made aware of ingredients from packets (eg. gluten intolerance and other allergy advice).				
First Aid: Risk of accidents resulting in minor injuries and the need for first aid provision		<ul style="list-style-type: none"> A First Aid kit is available for minor accidents. All spillages are wiped up immediately. The door to the hall from the road is kept shut at all times whilst Messy Church is in progress. 		Messy Church Leadership Group and volunteers		
Church Hall Cleaning: <ul style="list-style-type: none"> Spread of Covid-19 		<ul style="list-style-type: none"> The Church Hall is subject to regular professional cleaning. 		Church Hall Committee		

Version Control:

- This risk assessment has been written as an amalgamation and update to 2 existing risk assessments for All Saints Church Clifton Messy Church and to reformat using the model activity risk assessment template on the Church of England website.
- These 2 risk assessments are the Messy Church Risk Assessment (issue date January 2020) and the Messy Church Covid-19 Risk Assessment (last issue date 4th 2022) and they have been combined as suggested in the Church of England's most recent advice on Opening and Managing Church Buildings during Covid-19 (v 3.2, 18th July 2022, House of Bishops Covid-19 Recovery Group) available on the Church's website which states "There is no longer a requirement to do a specific COVID-19 risk assessment. You can choose to include COVID-19 in general risk assessments for events and activities."
