19	New Road	4	
21	New Road	2	
		182	9

REMINDER

**Speeding offences cost you £60 a time plus three points on your licence. Plus no doubt your insurance will go up!
Also for the newly qualified driver: if you get six points on your licence, you lose your full entitlement and revert back to a provisional licence. That means more money for another test and more insurance!**
